Add the Convenience of Mobility to Your Panasonic PBX System

System Overview

Multi-Cell DECT 6.0 System is an integrated wireless solution that is specifically designed for use with a Panasonic PBX*. This system provides automatic hand-over between cells, giving you true communication mobility even in large premises. The Panasonic KX-TD7695 DECT handset combines small size and light weight with a host of powerful features. The KX-TD7685 is a good choice for users who want good basic performance at a lower cost.

Automatic Answer / Optional Headset for Hands-Free Conversation

Plug in the optional headset and enjoy the ease and unrestricted freedom of hands-free communication. With the optional headset, you can answer incoming calls without touching the handset.

Advantages of the Panasonic DECT Handset

Easy Operation

- Graphical Icon Menu
- Dynamic Operation Guidance with Soft Keys

Easy Access to PBX Features

Flexible CO Keys let you register PBX features and handset functions for quick, convenient access. A graphical PBX Feature Menu is also available to further improve operating ease.

Blue LCD Backlight

Whenever you get a call or touch a key, the LCD lights up in blue so you can see who's calling and easily operate the phone - even in the dark.

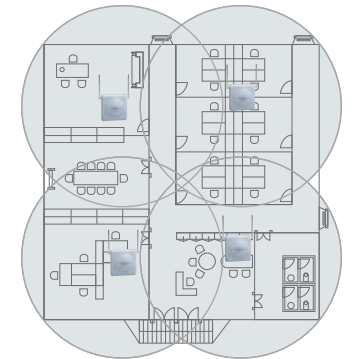

KX-TD7695
Compact Model

KX-TD7685
Basic Model

Seamless Connection - Automatic Hand-Over

There is virtually no deviation in the quality of the connection as you move from one cell station area to the next while conversing with a colleague in the same building or with a customer outside.

200-Station Phonebook

The built-in telephone directory lets you store 200 station names and numbers.

Incoming Call Indication by Vibration

KX-TD7685/95 has a built-in Vibrate feature that helps ensure you'll never miss an incoming call, even in a noisy place.

32-Polyphonic Ring Tones

A variety of high-quality sounds can be reproduced for your ring tones. You can choose from 9 pre-set melodies and 6 ring tones.

Customized Caller ID*

You can customize the Caller ID feature to quickly recognize a caller by assigning one of three LED colors and 15 pre-installed ringer / melody sounds to specified groups.

* Requires subscription to a Caller ID service offered by a local telephone company.

Illuminated Keypad

For easier operation in dim lighting, the keyboard lights up when a call comes in or when you touch a key.

The KX-TD7685/7695 support the following Panasonic headsets:
KX-TCA86, KX-TCA91, KX-TCA92

* The KX-TD7685 and KX-TD7695 must be connected to a Panasonic PBX system (i.e., the KX-TDA50, KX-TDA100, KX-TDA200, KX-TDA600, KX-TDE100 or KX-TDE200).
