

Intermedia Unite apps

INTERMEDIA UNITE MOBILE APPLICATION

This powerful mobile application transforms your phone into an essential collaboration tool, making teamwork on-the-go easier than ever. See who is available, send and receive team chats, place calls and see voicemails —anytime, anywhere.

Never miss important calls

- Extend your business phone number and extension to your mobile phone, so you can place and receive calls on-the-go or even transfer calls from your desktop phone to your mobile device—seamlessly, without interruption

Easily collaborate from anywhere

- Your full desktop chat history is synchronized with your mobile device so you can stay connected and continue conversations no matter where you are

INTERMEDIA UNITE DESKTOP APPLICATION

Our desktop app brings essential collaboration tools together, making teamwork easier than ever. See who is available, send team chats, place and receive calls, share screens, start video calls and share files—all from one application. Available as a downloadable app for PC or Mac.

Communicate your way

- Have the flexibility to use your desktop application to place and receive calls in two ways, either as a call controller for your associated desk phone or as a softphone from your PC or Mac®

One application for collaboration

- One place to see the availability of coworkers, place a phone call, start team chat and launch a video conference

Stay connected on-the-go

- With the Unite desktop and mobile applications, you take your contacts, files and conversations with you—wherever you are
